SCHEDULE PREFERENCES

- Choose the days that your child is able to attend and the days that you are able to participate. Please choose ALL of the days that you are willing to accept as a possible schedule on the grid. *Note: please check at least two options for participation days, but feel free to check more if you are flexible.*
- After filling in the grid, please tell us about the specifics of your family schedule in the explanation section. For example, if you are very flexible with scheduling, great! If you have compelling reasons for prioritizing certain days for your schedule, please explain. For example, if you are willing to accept any three day/week slot but strongly prefer M/W/F, you should fill in ALL days on the grid, and explain in writing your M/W/F preference. We will do our best to accommodate everyone's requests, and the more information we have, the better.

We will establish the schedule as soon as our enrollment has been verified so that you will be able to make the necessary work/child care arrangements. We will do our best to accommodate everyone's choice. You will receive notice by March 1, 2017 as to your enrollment status. Please contact info@albanypreschool.org with any questions.
